TAX BINGO

Miami Owner Edition

Paid yourself whatever was left • Business card at the grocery store • "Miscellaneous" is your biggest expense

Only talk to your tax person in April • Bought equipment because of the "write-off" • Never opened your P&L

Q4 estimate? What Q4 estimate? • Receipts in a shoebox (or a car door) • "QuickBooks handles it"

The fixes: pay yourself on purpose • two accounts • read 3 lines of your P&L monthly • one meeting before Dec 31

Bingo? Tell me which row.
